TOUR ITINERARY – Three days and two nights

DAY ONE

Your next stop is at **Confections for any Occasion**. This candy store is definitely a sweet success! Here you'll find the finest decadent chocolates, novelties, gourmet popcorns and unique hard to find candies. Joel, a blind chocolatier, will share the history of his shop, and will direct you in making your own chocolate.

You may enjoy lunch at Confections for any Occasion, or we can offer suggestions in the area!

The 30-room mansion at the **Historic Galloway House & Village** was the “farmhouse” of the Galloway family for three generations. The hand-carved woodwork, etched glass and hand-stenciled ceilings are perfect examples of the marvels of a lifestyle from a bygone era. The grounds are home to 25 historic buildings including a country church, a one-room schoolhouse, a grist mill and log cabin. The Blakely Museum and CCC Barracks Museum also are on site.

Complete today's tour with a stop at the **Kristmas Kringle Shoppe**. This two-story Bavarian-style building features a European street of shops, animated figures and 70 themed Christmas trees. They offer many collectible lines, Italian ornaments and unique gifts including Fond du Lac souvenir lighthouses, ornaments and postcards.

Check into one of our many fine hotels. We'll assist you with researching rates and availability.

Freshen up before enjoying dinner at **Sebastian's** – a rare steak house very well done!

DAY TWO

Experience the **Siberian Outpost** where your adventurous group may visit with the dogs while learning about dog sledding and the history of an antique sled.
